Options Premier Line finishes, select à la carte options

The Delegate ADA style lectern is a great choice when ADA requirements are needed for physically challenged individuals. Large radius solid wood front corners blend with all contemporary environments. Twelve inches of travel with electric height adjustment make it easy for any person to get "JUST THE RIGHT HEIGHT". The recessed u-shaped section allows anyone in a wheelchair to pull right up to the generous work surface. Recessed front swivel casters and rear locking swivel casters permit easy mobility and added safety.

up to 12" of height adjustment

Presenter's side shown with side flip up/down in lowered position
